Chestnut Mare 1993

CMHA # 8558 AMHA # 0172594

Price: \$2 500.00 Canadian Funds

This beautiful, big (15.2HH) mare has been an excellent producer for us, and if it wasn't for the need to reduce numbers to make room for our young home raised fillies, she wouldn't be going anywhere! Before Elly came to live with us, she had an incredible career as a show mare with many championships in English Pleasure and Pleasure Driving. An injury to her front foot ended her show career, but was the start of her amazing broodmare career. She has never had any lameness problems since she has been here, and has been easy to breed, easy foaler and great mother. She has produced 4 beautiful foals for us and once her '09 colt is weaned in July, she is ready to go to her new home. Elly can be bred to one of our 4 stallions prior to leaving at a reduced rate. Elly has amazing breeding in her background, which includes Entertainer, Chasley Superman, Bennfield's Ace, Trijas Mr Pepperlect and Paramounts Ambassador.
